The diagram illustrates a function call, 'flow_thermo_initialiasation::allocate_thermo_variables', which is shown in a grey box on the left. Two blue arrows originate from the right side of this box, pointing to two separate white boxes on the right. The top white box contains the text 'print_debug_end_msg' and the bottom white box contains the text 'print_debug_start_msg'. This visualizes the function performing two distinct debug actions.
